Monisha,

Here's the document. I saved a new version and cleaned it up to send to OGC.

Ex. 5 Deliberative Process (DP)

I added a couple more thoughts to the document (using the link in the 10:57 email below). I don't see Mark's sentence there so here is my suggestion... keeping it simple:

Ex. 5 Deliberative Process (DP)

I was hoping to take advantage of the 2 hour early dismissal today. However, I will stay put until the aldicarb doc is in a "good place."

If I don't hear from you by 2 pm, I will head out.
Please let me know how I might help. Call anytime.

Thank you! Monisha is copied here so she can see the change to the last sentence of the conclusion. (Monisha, [here](#) is the link that you need.)

I agree. Thanks. Do you want to check with Monisha, too? She's off today, but checking email.

Do either of you take exception to my changing the last sentence as indicated below?

Rebecca,

I had sharepoint issues with the document. When you are done, can you save it as a new version and send it to me for another read through?

Thanks,
Mark

Mark and Kimberly,

I am addressing newer comments in the aldicarb document. I *should* be finished with them pretty soon (within the hour).

May I ask about next steps? Is the goal to send this to RD and OGC by close of business today? I am in the office until 4 pm

As a "newbie" I am uncomfortable resolving the document without first speaking to someone.

Please advise at your earliest convenience.
